Herson Castaneda
Board Vice Chair

I serve on the Board of Directors for Heartland CASA as Vice-Chair. The mission for Heartland CASA is so important and changes so many lives of the children of this community. To be a part of that mission is a privilege to me.

I have been in Grand Island for about 19 years. I was born in Los Angeles, CA. I am currently working as a Financial Advisor at Wells Fargo Advisors and I enjoy my career, volunteering, and being a part of this community. I am a member of the Grand Island Young Professionals and GI Connect.
