Meet The Board

I have lived in Grand Island since 2013 and began Cottonwood Dental in 2014. I enjoy spending time with my husband, Austin, daughter, Mara, and dog, Millie. I enjoy outdoor activities, watching documentaries, and Pinterest projects.

CASA transforms the well-being of individual children in the foster care system. Children are the most vulnerable members of society, making their need for advocates significant.

My hope for CASA would be to have all children in need to have access to a CASA. There is a great need in our immediate and surrounding communities and those needs can be met with more available volunteers and financial support.

Rachel Brown-McDonald
CASA Board Secretary

Heartland CASA would like to announce two new board members. We are excited for what these amazing people bring to the table. They are committed to the long-term interests of our organization.

Please help us welcome
Raul Arcos and Maureen Nickels.

Our 2020 Campaign will support **CASES FOR CASA KIDS**. These cases provide an age and gender specific suitcase, with vital essentials, for children in Hall, Hamilton, Howard and Merrick counties as they join a foster family. Within each case, we will supply age appropriate outfits; nightwear, school outfits, hygiene products, undergarments, stuffed animal to provide comfort to lonely kids, a blanket for warmth on cold nights, and toiletries. Each case will meet the basic needs of each child for the first 5 days in foster care.

Please visit gobiggive.org/heartlandcasa for more information of how you can help us reach our goal.
